The Art of Leadership

Let those who shape our world today,

Strong leaders don't follow the crowd, they inspire the crowd to follow them. They're the disruptors and the doers. They know that without calculated risk there can be no reward.

Strong leaders plan and define the route that will pave the road to success. They enable organizations to develop dynamic corporate cultures. Engaged employees and sustainable long-term growth are their end game.

The Art of Leadership brings together the most respected names in thought leadership in an environment that inspires action. Surrounded by a network of like-minded individuals, we design unique conferences that are built around the stories, ideas, discoveries and transformative moments that drive achievement.

Our conferences expose those in attendance to explosive new ways of thinking as they unleash unlimited creative potential. MARCUS BUCKINGHAM

World's Leading Expert on Talent and Strengths Based Leadership

Arguably the business world's most in-demand management guru. - BusinessWeek

Marcus Buckingham is a global researcher and thought leader focused on unlocking strengths, increasing performance and pioneering the future of how people work.

Building on nearly two decades of experience as a Senior Researcher at Gallup Organization, he currently guides the vision of ADP Research Institute as Head of People + Performance research. He founded The Marcus Buckingham Company in 2006 with a clear mission: to instigate a “strengths revolution.” It started, as all revolutions do, with the simplest of ideas: that when people spend the majority of each day on the job using their greatest talents and engaged in

their favorite tasks, basically doing exactly what they want to do, both they and their organizations will win.

The definitive treatment of strengths in the workplace can be found in his best-selling books: *First, Break All the Rules; Now, Discover Your Strengths; The One Thing You Need to Know; Go Put Your Strengths To Work; The Truth About You; Find Your Strongest Life; StandOut 2.0*. His latest book, *Nine Lies About Work: A Freethinking Leader's Guide to the Real World* takes an in-depth look at the lies that pervade our workplaces and the core truths that will help us change it for the better.

As an internationally renowned thought leader and business expert, Marcus has been the subject of in-depth profiles in The New York Times, Fortune, Fast Company, Harvard Business Review, USA Today, and The Wall Street Journal and has appeared on numerous television programs, including “Larry King Live,” “The Today Show” and “The Oprah Winfrey Show.” He is routinely lauded by such corporations as Toyota, Facebook, lululemon, Coca-Cola, Box, Master Foods, Wells Fargo, Microsoft, and Disney as an invaluable resource in informing, challenging, mentoring and inspiring people to find their strengths and sustain long-lasting personal success.

A Harvard MBA, New York Times bestselling author, award-winning blogger, and one of the most popular TED speakers in the world, Neil Pasricha is “a pied piper of happiness” who dazzles audiences with ideas that skyrocket happiness into the stratosphere. With infectious enthusiasm, heartfelt authenticity, and a “what works” authority, Pasricha draws on the latest research in happiness to increase individual performance and create a more positive and productive workplace.

Pasricha spent a decade with Walmart, the world’s largest company, directly working for two CEOs and as the organization’s

director of leadership development. He now travels all over the globe sharing messages on happiness to Fortune 500 companies, schools, and non-profits. His Ted Talk “The 3 A’s of Awesome” has been ranked as one of the most inspiring of all times with more than 3 million views. He has spoken to Royal Families in the Middle East, Ivy League Deans, and to CEOs at organizations such as Google, Audi, American Express, and GE.

His first book, *The Book of Awesome*, is a runaway #1 international bestseller with millions of copies sold. His newest book, *The Happiness Equation: Want Nothing + Do Anything = Have Everything* (also an

international bestseller), provides step-by-step guidelines to illustrate how to improve your time, your career, your bottom line, your relationships, and ultimately (of course), your happiness. His intentionally acclaimed blog, *1000 Awesome Things*, has scored over 50 million hits and twice won the Webby Award for “Best Blog in the World.”

Pasricha partnered with Harvard University to design one of the first global leadership development programs inside a Fortune 10 company. And, as a management consultant, he advised Fortune 50 companies on top level leadership strategies.
