

THE ART OF
LEADERSHIP

TORONTO | NOVEMBER 19, 2018

Leadership is having a compelling vision, a comprehensive strategy, relentless implementation, and talented people working together.

ALAN MULALLY

The Art of Leadership

Let those who shape our world today,
help shape yours tomorrow.

Strong leaders don't follow the crowd, they inspire the crowd to follow them. They're the disruptors and the doers. They know that without calculated risk there can be no reward.

Strong leaders plan and define the route that will pave the road to success. They enable organizations to develop dynamic corporate cultures. Engaged employees and sustainable long-term growth are their end game.

The Art of Leadership brings together the most respected names in thought leadership in an environment that inspires action. Surrounded by a network of like-minded individuals, we design unique conferences that are built around the stories, ideas, discoveries and transformative moments that drive achievement.

Our conferences expose those in attendance to explosive new ways of thinking as they unleash unlimited creative potential. Attendees discover new ways to re-energize their corporate culture, spark fresh thinking and ignite strategic insights to deal with the biggest challenges facing their organizations.

ALAN MULALLY

Former President and Chief Executive Officer,
Boeing Commercial Airplanes & The Ford Motor Company

Alan deservedly will be long remembered for engineering one of the most successful business turnarounds in history.

- **Bill Ford**, Executive Chairman, Ford Motor Company

Alan Mulally served as president and chief executive officer of The Ford Motor Company and as a member of Ford's board of directors from September 2006 – June 2014.

Mulally led Ford's transformation into one of the world's leading automobile companies and the #1 automobile brand in the United States. He guided Ford in working together on a compelling vision, comprehensive strategy and implementation of the One Ford plan to deliver profitable growth for all of the company's stakeholders.

Prior to joining Ford, Mulally served as executive vice president of The Boeing

Company, president and CEO of Boeing Commercial Airplanes and president of Boeing Information, Space, and Defense Systems.

Throughout his career, Mulally has been recognized for his contributions, industry leadership, and service, including being named #3 on FORTUNE's "World's Greatest Leaders", one of the 30 "World's Best CEO's" by Barrons' magazine, one of "The World's Most Influential People" by TIME magazine and "Chief Executive of the Year" by Chief Executive magazine. He was also honoured with the American Society for Quality's medal for excellence in executive leadership, and the "Thomas

Edison Achievement Award".

Mulally previously served on President Obama's United States Export Council. He served as co-chairman of the Washington Competitiveness Council, and has served on the advisory boards of the National Aeronautics and Space Administration, the University of Washington, the University of Kansas, the Massachusetts Institute of Technology and the United States Air Force Scientific Advisory Board.

Mulally currently serves on the board of directors of Google, Carbon 3D, and the Mayo Clinic.

STRATEGY AND CULTURAL TRANSFORMATION

- How to develop and communicate an inspiring vision that will unite and focus your people.
- How to ensure accountability and collaboration by creating a safe environment for honest dialogue.
- How to pave the path for outstanding execution through relentless implementation based on facts and data.

RAM CHARAN

*World-Renowned Business Advisor
and Bestselling Author*

He has the rare ability to distill meaningful from meaningless and transfer it to others in a quiet, effective way.

- Jack Welch, Former Chairman, GE

Ram Charan is a world-renowned business advisor, author and speaker who has spent the past 35 years working with many top companies, CEOs, and boards of our time. In his work with companies including GE, MeadWestvaco, Bank of America, DuPont, Novartis, EMC, 3M, Verizon, Aditya Birla Group, Tata Group, GMR, Max Group, Yildiz Holdings, and Grupo RBS, he is known for cutting through the complexity of running a business in today's fast changing environment to uncover the core business problem. His real-world solutions, shared with millions through his books and articles in top business

publications, have been praised for being practical, relevant and highly actionable — the kind of advice you can use Monday morning.

Ram's introduction to business came early while working in the family shoe shop in a small town in northern India, where he was raised. He earned an engineering degree in India and soon after took a job in Australia. When his talent for business was discovered, Ram was encouraged to develop it. He earned MBA and doctorate degrees from Harvard Business School, where he graduated with high distinction and was a Baker Scholar, then served on the faculties of

Harvard Business School and Northwestern University before pursuing consulting full-time.

Ram has authored over 25 books since 1998 that have sold over 2 million copies in more than a dozen languages. Three of his books were Wall Street Journal bestsellers, including Execution, which he coauthored with former Honeywell CEO Larry Bossidy in 2002, which spent more than 150 weeks on the New York Times bestseller list. He also has written for publications including Harvard Business Review, Fortune, BusinessWeek, Time, Chief Executive and USA TODAY.

TALENT DEVELOPMENT AND EMPLOYEE ENGAGEMENT

- Insight into how world-class companies find and nurture leadership talent.
- How to bring the rigor that leaders apply to financial capital to their human capital.
- Specific guidelines for assessing and improving your company's talent mastery capabilities.

WHITNEY JOHNSON

Leading Innovation Expert
and Bestselling Author

Whitney's message and delivery are compelling and inspiring. If you get the chance to hear her speak, drop everything and go.

- **Saul Kaplan**, Founder and Chief Catalyst, Business Innovation Factory

Recognized as one of the 50 leading business thinkers in the world (Thinkers50), Whitney Johnson is an expert on disruptive innovation and personal disruption; specifically, a framework which she codifies in the critically acclaimed book *Disrupt Yourself: Putting the Power of Disruptive Innovation to Work* and in her latest book *Build an "A" Team: Play To Their Strengths and Lead Them Up the Learning Curve*. She is also the author of *Dare, Dream, Do*:

Remarkable Things Happen When You Dare to Dream.

She developed her proprietary framework and diagnostics after having cofounded the Disruptive Innovation Fund with Harvard Business School's Clayton Christensen. This framework is complemented by a deep understanding of how executives create and destroy value, having spent nearly a decade as an Institutional Investor ranked

equity analyst on Wall Street.

In addition to her work as a speaker and advisor, Whitney is one of Marshall Goldsmith's original cohort of 25 for the #100 Coaches Project, is a coach for Harvard Business School's Executive Education program, frequent contributor to the Harvard Business Review, is a LinkedIn influencer, and hosts the weekly Disrupt Yourself Podcast.

MORTEN HANSEN

Management Professor at
University of California, Berkeley
and Bestselling Author

Hansen's work is truly distinctive in the genre of professional effectiveness, and a tremendous contribution.

- **Jim Collins**, Author of *Good to Great*, co-author of *Built to Last* and *Great by Choice*

Morten T. Hansen is a renowned leadership expert and bestselling author, ranked as one of the world's most influential management thinkers by Thinkers50.

Formerly a professor at Harvard Business School and INSEAD (France), he is now a management professor at the University of California, Berkeley. Hansen's award-winning research on leadership, collaboration, innovation, and corporate greatness has been published in several leading academic journals.

Hansen's most recent book, *Great at Work:*

How Top Performers Do Less, Work Smarter, and Achieve More, is based on an exhaustive study of 5,000 managers and employees. He is also the co-author of the New York Times bestseller *Great by Choice* (with Jim Collins), which provides data-driven, groundbreaking insight into how businesses can thrive in uncertainty. His acclaimed book *Collaboration* describes how managers can overcome silos in a company and create real value from working across the organization.

Hansen has written several bestselling Harvard Business Review articles and

his work has been covered by Business Week, Fortune, New York Times, and The Economist, among others. A veteran speaker, Hansen has advised and given keynotes to many Fortune 100 companies, including Intel, Apple, American Express, AT&T, Walmart, Chevron, IBM, Microsoft, and Cisco, among others.

Hansen has a PhD from Stanford Business School, where he was a Fulbright scholar. He was also a senior manager at the Boston Consulting Group where he advised corporate clients worldwide.
